Lynn walked me through every step of planning and booking my Family of 5 Vacation Cruise. Not only did she find the right price for me after a ton of research she also planned the correct ship dates and activities!!!! On my way to the Port she even called and text me to make sure I was ok and knew where I was going!!! I am already having her look for another vacation for me! Not planned but the service was so outstanding we are booking again soon! Life Long customer and I recommend her to all of my family and friends. Thank You Lynn!!!!!!!!!!!!!!
